

ADVISORY NOTIFICATION

Rugby Lamp Wire Harnesses

Attention: Rugby Sales & Service
Release Date: 4/19/2017

Due to the variety of Rugby product lines, some lamp connectors will not be used in certain applications. These connectors must not be left exposed. Installers are to place protective caps (Item #1932664) on the unused connectors as shown in the below images.

If protective caps are not included in your light kit, please contact a Rugby Manufacturing customer service representative. The affected wire harnesses & kits are listed below:
